

**Paul Baglole -  
The Gemini Screen Printing & Embroidery  
Volunteer of the Year**

The Gemini Screen Printing & Embroidery Volunteer of the Year award for 2011 is presented to a very deserving winner ... Paul Baglole.

In addition to being an excellent runner ... Paul Baglole is an active volunteer with the Club.

Paul is the race director for two of our runs. The PEI Parks Trail Run, and the Desmond Baglole Scenic Road Run. The later, named in memory of his father, has become a favorite of many runners for several reason ... it's tough, it has beautiful scenery, and there are delicious cookies waiting at the finish line (Thanks Pam!!). At

both races, Paul's professionalism is evident. The races are measured accurately, they are well marked and supplied, and he has worked hard to drum up some of the best draw prizes around from his sponsors.

Paul has also been the Queens County representative on the RoadRunner Executive for many years and has volunteered his skills when needed. As an example, when new Caution signs were needed this past year. Paul took on this project, designing the signs and using his contacts to get the signs made. He and Pam then graciously covered the cost of the signs for the Club.

Paul, it gives us great pleasure to award to you the 2011 Gemini Screen Printing and Embroidery Volunteer of the Year Award! Congratulations Paul!
