

## **ADL/Sport PEI Junior Achievement Award Junior Female – Ellen Burnett**

A new face as the winner of the Junior Female category! Actually two! This year there was a tie for the ADL/Sport PEI Junior Achievement Award and we will present this award to both Ellen Burnett of Charlottetown and Arielle Elyse Schleichkorn.

Ellen is an excellent young runner. She competed in 5 RoadRunner races in 2010 three of which were points races. She was the top junior female roadrunner in all three of her points races for a total of 87 points. Highlights from Ellen's year include a 22:38 at the Proude's Shoes 5K and a 6:24 in the ADL Golden Mile.

Arielle Schleichkorn competed in three races in 2010 and was the top junior female roadrunner in all three of her races. Arielle competed in the Friendship 10K run in Summerside in a time of 1:15:07. She also ran a couple of longer races. Arielle finished the Farmers-Helping-Farmers 10 mile run in 1:41:00, and ran in the PEI Half-marathon, completing that distance in 2:20:47.

Congratulations to Ellen and Arielle for winning the ADL/Sport PEI Junior Achievement Award for 2010!
