

ADL/Sport PEI Junior Achievement Awards Junior Male – Brandon Higginbotham

The winner of the ADL/Sport PEI Junior Male Achievement Award for 2012 is Brandon Higginbotham of Charlottetown.

Brandon had a very successful year with the RoadRunners Club in 2012.

Brandon competed in 7 RoadRunner races in 2012. Brandon had two wins, two second place finishes, and a 5th, 6th and 7th place finish. And this was not in the junior category, these were overall results. So it is quite an accomplishment for someone Brandon's age to be running at the front of that pack like that.

Brandon had a 17:19 5K ... and a sub-36-minute 10K during the 2012 race season, and obviously has a great running future ahead.

Brandon amassed 95 points during the season and laid claim to the ADL/Sport PEI Junior Achievement Award for 2012.

Congratulations Brandon!
