

PEI ROADRUNNERS BURSARY

Since 1977, The Prince Edward Island Roadrunners club has been celebrating and promoting running on the Island.

People of all ages enjoy the sport of running and we feel it is important to encourage this in our youth. This year we are offering bursaries to runners in support of their future education.

New members, spouses and visitors are always welcome to join the PEI Roadrunners club or to participate in our running events. The PEI Roadrunners run event calendar is available online at www.peiroadrunners.ca.
Happy trails!
